The Long Island Association for AIDS Care Hosts Third Annual Community Health Fair

On July 14, LIAAC, in collaboration with the Town of Babylon, will host its Third Annual Community Health Fair at the Wyandanch Community Resource Center from 12 pm to 6pm.

Wyandanch Community Resource Center
1585 Straight Path
Wyandanch, NY 11798

In accordance to Governor Cuomo's Ending the Epidemic (ETE) plan to end the AIDS epidemic in New York State, LIAAC annually hosts a Community Health Fair to spread HIV/AIDS awareness, provide free HIV testing, and provide linkage to care services for Long Islanders. This year, we will have three HIV/Hepatitis C/STI testing locations around Wyandanch– Wyandanch Community Center, MLK Jr. Health Center, and Compare Shopping Center. All tests are free and confidential.

LIAAC will be joined by Walgreens, Northwell Health, Cornell Cooperative Extension, Island Harvest, Thursday's Child, HRH Care, and other local community service organizations in providing health information and linkage to care services. In addition to the informational booths, there will be free giveaways, raffles, and snacks for those who attend.

For more information please call 1-877-865-4222.
