The Long Island Association for AIDS Care (LIAAC) will hold the Annual Client Holiday Party

December 13, 2013 will mark LIAAC's Annual Client Holiday Party. While we are enjoying time with our own families, it is important to remember those who require assistance in our Long Island communities. Each year during the month of December, the Long Island Association for AIDS Care holds our annual Client Holiday Party that brings together clients and their families. The party offers an opportunity for clients to celebrate the holidays in a warm environment. Guests can enjoy music, dancing, socializing, multicultural food, and refreshments provided. Every child under the age of 18 is given a gift to unwrap, while adults can take a chance to win our marvelous raffle prizes.

In the past, this momentous occasion has been funded through donations from those in the community such as the Heartfelt Foundation and Garden City High School Peer AIDS Education Leaders. To make this event the success it deserves to be, the Long Island Association for AIDS Care requests your help in the form of donations of holiday foods or new, unwrapped toys for the children. Gift donations for teenagers are desperately needed such as gift cards to restaurants, iTunes or clothing stores. Any donation is both welcomed and greatly appreciated.

The Long Island Association for AIDS Care works to provide education, outreach, and testing for anyone in our Long Island communities. We hope you choose to make a difference for our fellow Long Islanders in need. If you would like to make a donation to the Client Holiday Party, please call us at (631) 385-2451.
